

ENVISION HILLTOP

community workshop

saturday—feb. 23 at 9am

Who should come?

Do you live on the Hilltop? Maybe you grew up here but moved away—we still need your opinions and experiences to help shape the plan.

Give input on initiatives!

In addition to the community plan, the City is working on a draft **Land Use Plan** to guide new development. Provide input at the meeting or visit **columbus.gov/planning/Hilltop**. Also provide input on other issues:

- Blueprint Columbus
- Broad St. Streetscape
- Hilltop Pre-K Center

Want a chance to share your vision for a stronger Hilltop?

Come to the Envision Hilltop community workshop on **Saturday, Feb. 23 at 9AM** and enjoy lunch afterward. The workshop is a transition from identifying and ranking neighborhood issues to discussing potential solutions. There is also a raffle for Visa gift cards for residents who attend!

Event: Envision Hilltop Workshop
Location: Glenwood Community Center
1888 Fairmont Ave.
When: Saturday, Feb. 23 at 9AM

614.636.1632
